

At Entrust of DeSoto you can have privacy when you need it and companionship when you want it.

Our passion

is to create an environment where your well-being is at the center of everything we do. Entrust of DeSoto offers a wide-range of services designed to meet your loved one with our Journey's program. No one senior is alike so we provide lifestyle options that meet individual needs. We call this resident-centered care.

Here, we have wellness programs that nourish the body and activities that create moments of joy.

This approach extends to many services that exist to simplify your life eliminating some of your burdens while retaining your favorite pastimes and cherished routines. How do we do this? Here are a few ways we care for and celebrate our residents...

ENTRUST OF DESOTO

DALLAS

Your Guide to Navigating the
Memory Care Journey!

wellness & community

Our nurse will monitor the health and wellness of each resident.

24-hour care where our experienced, capable staff lend a hand in daily living activities such as dressing, grooming, bathing and toileting. This allows for more individualized attention.

Attentiveness to building relationships and recognizing the whole person has social, mental, physical, emotional and spiritual needs to promote socialization and independence.

A dining experience in the Betty Boop Cafe where residents enjoy the home cooked meals; because we know people have different dietary needs; vegetarian, low sugar and low salt diets are offered. And don't forget the cinnalicious bundt cake made by our very own chef Troop!

Opportunities for social interaction that promote a sense of joy, satisfaction and belonging. Gardening, music, card games, reminiscence hour, creative arts and intergenerational activities are just a few examples of our fun at Entrust of DeSoto!

Outdoor spaces that promote strengthening and exercise in our secured courtyards.

safety

24/7 emergency response system for each resident for continuous assistance

Assistance with arranged transportation by our concierge.

Regular communication with family, loved ones and medical individuals to supply support and continuing education.

Each wing staffed

Monitored medications
